

The 2014 Affiliated Fuchsia Society Directory

Introduction.

The Affiliated Fuchsia Society Directory is published by The British Fuchsia Society as a service to members and Affiliated Societies. It lists full details of affiliated specialist fuchsia societies, as well as contact details for affiliated horticultural and gardening societies. Every care has been taken to ensure that the information is correct at the time the electronic file is created. Changes may occur from time to time and, subsequently, more up to date information can be obtained from the British Fuchsia Society website – www.thebfs.org.uk

As the Directory is not normally published each year we have tried to give show dates as, for example, First Saturday or fourth Sunday in the month, rather than showing a specific date. You are, however, strongly encouraged to contact the individual affiliated society's secretary for confirmation of meeting and show dates before travelling to an event.

Included in the directory is a list of National and Accredited Judges and speakers on fuchsia subjects.

We believe this list to be accurate at the time of compilation 4th November 2014

Finally we would like to point out that Affiliated Societies listed in this publication are based on REGIONAL AREAS and NOT on areas covered by any particular BFS Area Representatives.

Fur further information please contact either:

The BFS Assistant Secretary, who has responsibility for liaison with Affiliated Societies, Miss Carol Gubler, Little Brook Fuchsias, Ash Green Lane West, Ash Green, Aldershot, Hants, GU12 6HL. Tel: 01252 329731. email: carol@thebfs.org.uk

or

The BFS Secretary, Mr Paul Munro, The British Fuchsia Society, P.O. Box 8177, Reading RG6 9PH Tel: 0118 375 7462. email: secretary@thebfs.org.uk

BRITISH FUCHSIA SOCIETY JUDGES

The following British Fuchsia Society Judges have indicated they are willing to judge the fuchsia classes at Affiliated Society Shows. It is recommended that their services are obtained for the benefit of exhibitors, who expect their plants to be judged to a recognised uniform standard. All National Judges have passed both the written and practical examinations which are set by the BFS.

Accredited Judges have passed the written examination and are currently undergoing the practical examination by judging at Affiliated Society Shows and at National Shows. Accredited judges are competent to judge at local shows.
