

Show Bench List - Triphylla Fuchsias

This is the current BFS Show bench list of Triphylla Fuchsias. Only those on the list can be entered in Triphylla Classes in BFS National Shows.

Triphyllas on this list are excluded from certain classes in the schedule, please refer to the relevant show schedule.

This list is the up to date list for 2021. The list will also be in the 2021 BFS show schedules and supercedes the list in the back of the 2018 Exhibitors, Judges and Stewards Rulebook and Guidelines. Failure to include the umlauts over certain letters in some of the hybrids of German origin will not NAS the exhibit but including them honours the original spelling.

Revisions of this list will take place annually, if necessary. Should any interested reader want to alter the list, contact should be made in writing, with the BFS Show Committee before September 30th of each year. Notice of any changes will be published in the BFS Spring Bulletin.
